Work Experience

UX Design Intern @ Fidelity Investments

June 2020 - August 2020 // Jersey City, NJ

- Worked within an agile team of designers, engineers, and product managers.
- Helped to Redesign Fidelity’s Third-Party Marketplace.
- Participated in a two week google design sprint to improve the remote onboarding experience for new Fidelity UXD Hires.

UX Designer @ Social Interaction Lab

May 2019 - February 2020 // Newark, NJ

- Led design on a mobile application funded and sponsored by the NSF I-Corps Teams program, which redefines the winery experience.

Front-End Intern @ 1stdibs.com

June 2019 - August 2019 // New York City, NY

- Interned on the infrastructure team in the front end engineering department.
- Worked on the universal styled elements used throughout 1stdibs front-end products and transitioned alldealer-side and internal repositories to the new design system
- Removed over 20,000 lines of excess code, and removed multiple dependencies which hindered site performance.
- Tools Used: react, redux, git, sass, webpack, graphql, flow, eslint, jest, yarn, enzyme

Web Design Intern @ Magnet Media

Feb 2019 - May 2019 // New York City, NY

- Redesigned the companies website.
- Created slide deck presentations, social media assets, moodboards, wireframes, and mockups for our clients.
- Tools used: HTML/CSS/JavaScript, Wordpress, Photoshop, Illustrator

Web Design Intern @ Twenty Over Ten

April 2018 - Feb 2019 // New York City, NY

- Designed and developed 60+ financial websites alongside 4 lead designers using HTML, CSS, JavaScript, and Twenty Over Ten’s in-house content management system.
